For additional information about MWA, including fees and services, please contact MWA or refer to the Investment Adviser Public Disclosure website (www.adviserinfo.sec.gov). Please read the disclosure statement carefully before you invest or send money.

*Barron’s awarded the 2020 #5, 2019 #4 and 2018 #3 Top RIA Firms rankings to Mariner Wealth Advisors based on data compiled for Mariner Holdings’ registered investment adviser subsidiaries. The number of firms included in the rankings were: 20 (2016), 30 (2017), 40 (2018), 50 (2019) and 100 (2020). Barron’s publishes rankings based upon a number of criteria and the firms’ filings with the SEC were used to cross-check the data provided. The listing includes numbers of clients, employees, advisors, offices and state locations. The award is not indicative of future performance and there is no guarantee of future investment success. For additional information visit: www.barrons.com.
HALO provides housing, healing and education services to thousands of homeless and at-risk children around the world. We believe every child should have the support of a family. Will you be in our corner to help one more child spend one less day alone? Get more involved at www.haloworldwide.org.
Please note: If you make a purchase this evening, an official receipt with fair market value indicated will be emailed or mailed to you within the following two weeks. Preferred method of payment is credit card but check and cash are also accepted. If you have any questions about your receipt, please contact HALO headquarters at 816.472.4256 or email chelseatapken@haloworldwide.org. We encourage you to consult your tax advisor if you have any questions about your individual tax situation and deduction from tonight’s contributions.

We help people get God’s life changing words off the page and into their hearts and minds.

So if the Son sets you free, you will be free indeed.
John 8:36

Here’s how we make it easy:
1. We start with a verse.
2. We make a beautiful design with the first letter of each word in the verse.
3. When you see those letters, you recall the words they represent, until all of a sudden you’ve got the verse down. Try it above!
