

Now it's your turn! Ready to make your own shoe craft?

What you'll need:

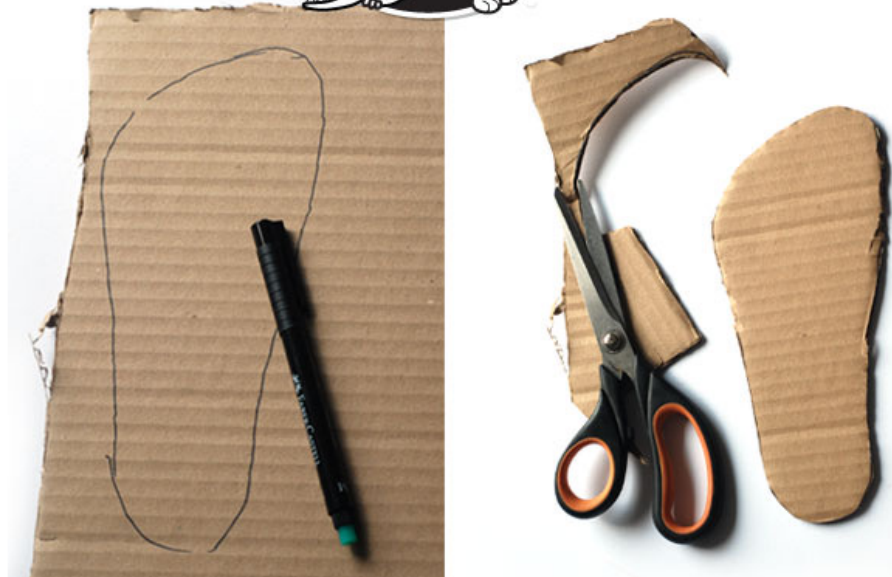

- Cardboard or paper
- Construction paper or white paper with markers/crayons
- Scissors
- Glue stick

Start by tracing your own foot,
and try not to tickle yourself 😊

Next: Get creative!

Before our next meeting, spend some time crafting your new sandal. Share your finished sandal with us at the next meeting and tell us how you enjoyed the project.

Below is just one way you can craft a new sandal, but feel free to make it however you imagine!
